SABRINA

step aboard

Sabrina possesses a magical combination of charm and aesthetics. The bi-level aft deck separates the wet deck area from the dry, and whether you're into fishing or just frolicking, Sabrina has something for everyone. The expansive sheltered area on the top deck comfortably accommodates 20 people for any function or party with room to spare, and you can retreat to other areas of the yacht for some quiet time alone or with company without feeling intrusive. Inside the saloon, you'll find a spacious interior with a well illuminated living space.

Below decks, you'll be cosseted in Sabrina's plush cabins. Sabrina's cabins are cosy, well appointed and luxuriously furnished. The master cabin is located in the forward V-berth area while the VIP Guest cabin resides amidships with another bunk area further aft.
