## AQUILA 36 SPORT

### OVERVIEW

The Aquila 36 is widely regarded as the leader within category, offering owners a super versatile platform on the water. This extremely spacious outboard-powered catamaran provides the ideal boat for fun days out island hopping or weekends away with its comfortable air-conditioned two cabin and two heads layout. Activities are endless on the 36 Sport, an on-water entertainer, dive boat, offshore deep-sea fisher or a sunset cruiser.

This 2021 36s is loaded with options from shipyard. like the twin 4-stroke Mercury Verado 300hp engines with joystick, autopilot and skyhook, coupled with Aquila's hydro glide foiling system, it provides a strong performance with a hull design that offers superior comfort, sea keeping and fuel savings.

List of option includes air conditioning to both cabins and the deck, generator, enclosed saloon windows, transom BBQ & fridge, upgraded twin screen offshore navigation equipment with radar. Making this Aquila 36S a very high spec unit you can own.
