

AQUILA 36 SPORT

\$399,000 Year: 2020 | Length: 35.96 ft | Hong Kong

AQUILA 36 SPORT

OVERVIEW

Now for sale in Hong Kong, this 2020 Aquila 36 Sport is a rugged and sporty power catamaran that blends plentiful living spaces and qualities perfect for socialising. Offering the conveniences of a large monohull yacht including topside summer kitchen with double BBQ grills, the Aquila 36 has cockpit seating for over a dozen adults and two comfortable air-conditioned cabins with private en-suite heads, a total package ideally suited for weekend adventures in and around Hong Kong's many bays and islands.

Powered by efficient and reliable twin 300 horsepower Mercury Verado outboards, the Aquila 36 provides spirited performance and excellent fuel economy. Add its open water capabilities, wide stance and twin sponsons, the boat is remarkably stable making it exceptionally comfortable at speed or while at rest. Fitted with Aquila's Hydro-glide foil system, this particular Aquila 36 needs less power input to achieve planing speeds and enjoys markedly improved fuel economy as compared to a standard spec yacht. When entering or leaving your mooring, Mercury's joystick control makes maneuvering very easy at the touch of a finger.

This Aquila 36 motoryacht has had only one owner since new and is well presented and eager to find her new owner. Please contact us for a visit soon.
