

AQUILA 36

\$695,000 Year: 2023 | Length: 36 ft | Thailand

AQUILA 36

OVERVIEW

The Aquila 36 is without doubt the leader within class, boasting a stunning fusion of cutting-edge design and spacious luxury. Revel in the comfort onboard with its innovative layout, command the helm of a tech-savvy cockpit and immerse yourself in an aquatic adventure where style meets performance.

This 2024 model is truly 'better than new', benefitting from an incredibly high specification including the innovative Aquila Hydro Glide System, generator, air-conditioning, upgraded upholstery, upgraded premium sound pack, upgraded lighting pack and more. The twin Mercury Verado V8 300hp engines have less than 80 hours and coupled with the joystick piloting control, integrated autopilot and revolutionary Skyhook technology make this a pleasure to helm.

Available immediately, she is still under full factory warranty and the ideal platform to enjoy days on the water or weekends away with her spacious cabins. Added to her heavy specification is a brand new Highfield 240 Ultralight tender, brand new Yamaha 8hp outboard and Raymarine AIS700. Further, the addition of a new AFT dropdown canvas enclosure allows the saloon and helm to be fully air-conditioned on warmer days.

Lying in Phuket, Thailand and available exclusively through Simpson Marine; enjoy not only a substantial saving over a new boat but time as well with a years lead time on the ever-popular Aquila 36. She is a symphony of sophistication cruising through the waves and ready for a new owner to enjoy this experience. Please get in touch now to arrange a viewing and for further information.
