OVERVIEW

This used 2013 AZIMUT ATLANTIS 58 is well presented for sale, asking for EURO 550,000.00.

This single-deck sport yacht is fitted with 2 MAN engines, which allow her to easily reach top speed at 30 knots. All the onboard equipment is supported by the KOHLER 20kW generator.

The ATLANTIS 58 is a very popular sport yacht from AZIMUT, the robust mechanical setup is also very sought after for clients who are seeking for extreme reliability. The very welcoming cockpit layout provides an open sitting area for outdoor dining with a sunbed next to it for guests to enjoy staying outdoor. There is a long outdoor galley with a BBQ grill and sink at the cockpit for guests to prepare their food and beverages. The top hatch at the cockpit is openable, allowing more breezes to get into the cockpit during the warm summer days. An electric high-low swimming platform is also available on the vessel for kids to dip their feet in the water or to put a tender on top when not in use.

The yacht comes with a 3-cabin configuration for 6 guests to stay overnight. A full-size ensuite master cabin is in the middle of the vessel, a VIP cabin is at the bow and a smaller guest room at the port side of the vessel. An indoor living room area with a fully equipped galley is also available for guests to enjoy dining inside the vessel.

This sleek looking sport cruiser is ideal for owners who are dedicated to performance. A great example of this popular yacht is available immediately. For viewings and further information, please feel free to contact us.
