## BAVARIA S360 HT

### OVERVIEW

This Bavaria S360 Sport HT is an accomplished sports cruiser that offers comfortable accommodation and serious cruising capabilities. The huge, easily accessible side decks take away the hardship of going forward to put out the fenders. The cockpit is huge for a boat of this size, perfect for entertaining or al fresco dining. The electric height adjustable makes the conversion to the sun pad a simple task. The large electric sun roof gives you the best of both worlds, allowing sunshine and fresh air to fill the cockpit or in the event of rain the ability to stay comfortable and dry.

It's the little things, not usually considered when you are buying a boat, that also make the S360 Sport HT stand out. For example, the large cleats for easy tying on of lines, superb all-round visibility at the helm, huge windscreen wipers with freshwater washers, all help to make using the boat that much more relaxed and enjoyable.

The earliest viewing are recommended.
