

BENETEAU ANTARES 9

\$220,000 Year: 2022 | Length: 29.92 ft | Hong Kong

BENETEAU ANTARES 9

OVERVIEW

Comprehensive specification 2022 Beneteau Antares 9 powerboat presented for sale in very clean condition. Powered by two reliable and fuel-efficient Suzuki 200hp outboard motors, this sleek and comfortable cruiser has all the features and conveniences needed for both daytrips and overnight excursions. Specified to a very high level by her knowledgeable owner, this Europe-built 2 cabin (1 head) cruiser offers air-conditioning for hot summer days, whilst also having an electric hob for preparing comfort-food and kettles of tea on a chilly winter's evening. The vessel itself is well cared for by her owner and boatboy, her engines have seen less than 70 hours of use (as of February 2024), and the beds have never been slept on. As such, you and your family have the opportunity to own a nearly-new powerboat with no lead time and enjoy keen pricing as compared to 2024 price lists.

In terms of berthing logistics, the vessel is licensed at 7.98m and we can assist with sourcing moorings in various regions of Hong Kong. Please contact us to arrange your visit today!

MEASUREMENTS

Length: 29.92 ft
