BENETTI DELFINO 93

OVERVIEW

An exciting opportunity has arisen to own this Stefano Righini designed Benetti Delfino 93. She has been in the same ownership since 2016 and based in the same location, Pattaya, Thailand, where the Bangkok based owner has mainly enjoyed her to cruise the local archipelago.

Very rare at this size to have a main deck master suite that gives a huge amount of space, accompanying with commanding views. A further 2 VIP double cabins and 2 twin cabins which both have a pullman bunk option meaning that this yacht can sleep 12 guests which puts her in a class leading accommodation position for her size.

Huge amounts of outside living space including a wonderful aft deck and flybridge can be seen from the photos.

She has full RINA certification with good levels of redundancy on the yachts onboard systems, she benefits from 2 x 40Kw Kohler generators.
