

ELAN IMPRESSION 50.1

€450,000 Year: 2022 | Length: 49.83 ft | Thailand

ELAN IMPRESSION 50.1

OVERVIEW

We are very pleased to present this better than new 2022 Elan Impression 50.1 from the renowned Slovenian manufacturer. A very rare opportunity to acquire this wonderful example of the flagship model from the blue water cruiser Impression line, ready to go for the season.

Sakana boasts the three cabin and three head owners layout with upgrades throughout the boat making this at time of build the highest specified Impression 50.1 to come out of the factory. The owner is incredibly experienced and meticulous which is easy to see when you step onboard with the upgraded Italian leather upholstery and details throughout which make this a special yacht.

The long list of upgrades include air-conditioning, generator, water maker, Raymarine navigation pack, OneSails sail pack, tender with outboard and many more. The boat is being sold with full equipment, so a new owner can quite literally step onboard and start enjoying right away. Sakana has recently been antifouled and the engine, generator and water maker have all been serviced.

The 50.1 is an inverted deck saloon true ocean going yacht and has been designed with every cruising comfort in mind. The innovative interior maximises space and the cleverly thought out layout makes for a very usable yacht whilst underway on long ocean passages. Made with the cruising couple or family in mind, the on-deck systems allow for a very smooth short-handed experience.

This boat is turn key ready, a new owner will not only be able to skip the waiting line but also make a substantial saving on this heavily specified 50ft blue water cruiser. Currently in Phuket, Thailand, please contact Jamie Allwork and Simpson Marine for more details and to arrange a viewing at short notice, this is an opportunity not to be missed.

MEASUREMENTS

Length: 49.83 ft

Beam: 15.33 ft

Displacement: 28,367 lb

PROPULSION

Engine No: 1

Engine Make: Volvo

Yachting Freedom since 1984

T: +852 25555 8377

Engine Model: D2-75F

Engine Year: 2022
