### OVERVIEW

BRAND NEW FAIRLINE PHANTOM 65 AVAILABLE JULY 2024

A boat with no compromise, where luxury and exhilaration are one, the Phantom 65 raised the bar for all sports cruisers in class. Within every line, every detail, and every feature you will find the perfect balance of unparalleled calm and unrivalled excitement.

Unwind in perfect luxury on a yacht that boasts a fresh and comfortable interior design, sleeping six guests across three peaceful cabins ensuring everyone onboard can relax in serene harmony. A model already crowned as the best Sportcruiser over 45ft by Motorboat and Yachting, an accolade which can be seen throughout the boat and further awarded the Best Exterior Design Trophy at the World Yachts Trophies Awards in Cannes, it is a winning pedigree.

This example benefits from a host of upgrades including a Seakeeper gyroscopic stabiliser, bow and stern thrusters, Premium audio pack, Premium navigation upgrade, air-conditioning and a crew cabin to name but a few.

The Phantom 65 offers owners the best of both worlds with a well equipped flybridge but also the ability to open up the interior whilst out at anchor or underway to experience either the natural sea breeze or the exhilarating ride, at one with the ocean. It also provides a greater variety of tenders and toys with the tender garage as well as the hydraulic bathing platform, so instead of having to make a choice between a tender or jet ski, you can enjoy both.

Available exclusively through Simpson Marine and coming to Asia July 2024, please get in touch for further details or to arrange a viewing.
