NAUTOR SWAN 90

OVERVIEW

Exclusively listed and stunningly beautiful 2008 Swan 90, now offered for sale in Hong Kong. The Swan 90 model was born in 2007 and at the time represented the Finnish shipyard's 40 years of experience in yacht construction and design. Beautifully present for sale, this particular FD (Flush Deck) example is one of twelve Swan 90s produced, and was first launched in 2008. Designed by the renowned Argentine naval architect, German Frers, the Swan 90 strikes a commanding and eye-catching pose against all backdrops.

In addition to her gracefully designed exterior, the spacious, stylish on-board accommodation makes the luxury sailing yacht Swan 90 ideal for extended cruising. Featuring an elegant hull, the generously proportioned interior skillfully optimises every inch of space and comprises a master cabin with double berth, two guest cabins that sleep two, and two crew cabins, (one containing two single bunks and one double berth Captain's cabin). Each cabin has its own ensuite bathroom with a separate shower, and the master cabin even features a sauna. Central amongst the main guest accommodations, there is a luxurious main saloon and fully equipped galley as well as a spacious navigation system.
