### OVERVIEW

The Sunseeker Manhattan 66 is a luxurious and stylish British-built motor yacht that exemplifies the craftsmanship and elegance for which Sunseeker is renowned. With its sleek lines and impressive performance, this yacht offers a truly unforgettable cruising experience.

The main deck of the Sunseeker Manhattan 66 offers a spacious and beautifully appointed saloon, perfect for entertaining guests. The saloon features plush seating, a dining area, and state-of-the-art entertainment systems, creating an inviting and luxurious atmosphere. The fully equipped galley is located adjacent to the salon, ensuring easy access for both guests and crew.

For overnight accommodations on the Sunseeker Manhattan 66 are nothing short of exceptional. The yacht can comfortably sleep up to 8 guests in four well-appointed cabins, including a full-beam master suite, a VIP cabin, and two twin cabins. Each cabin is elegantly furnished and well equipped, ensuring privacy and comfort for all guests.

The flybridge of the Sunseeker Manhattan 66 is a true highlight, offering an expansive outdoor space for relaxation and entertainment. It features a large sunbathing area, a wet bar, a dining table, and comfortable seating, making it the perfect spot for enjoying panoramic views while cruising or at anchor.

In terms of performance, the Sunseeker Manhattan 66 is powered by twin MAN engines with the engine hours 1,600 (As of Sep 2023), delivering impressive speeds and excellent maneuverability. With a cruising speed of around 25 knots, this yacht allows for efficient and enjoyable journeys, whether it's exploring coastal waters or undertaking longer voyages. This particular vessel had a US \$100,000 rear deck teak replacement and entire interior upholstery refurbished.

Overall, the Sunseeker Manhattan 66 is a remarkable motor yacht that combines style, comfort, and performance. Its luxurious interior, spacious layout, and exceptional craftsmanship make it an ideal choice for those seeking a truly unforgettable boating experience.
