TAYANA 55

OVERVIEW

Probably one of the finest examples of this classic blue water cruiser available in Asia. Extensive work has just been done on this Tayana 55, including anti fouling, anodes, through hull fittings, bearings, new B&G navigation electronics throughout. New bimini and full cover are being made at the time of this listing. The owner is sad to sell this boat, but no longer has the time to use it. He is motivated to sell and so early viewing of this fully equipped vessel is highly recommended.
