### OVERVIEW

Immaculate, rugged, and timeless Viking 54 Sports Yacht now for sale in Hong Kong. Fittingly named Integrity by her first and only owner, this American-built yacht was truly designed and crafted to stand the test of time. Viking is one of the world's most famous and respected shipyards in the world, and a visit to this powerful and spacious motoryacht will show you why.

Fitted with the features of a much larger yacht, Viking has managed to create a layout rich with amenities. Whether for sunrise breakfasts or sunset cocktails, the light and airy aft deck is your waterfront terrace. Features on this fibreglass-enclosed aft area include its full-length hardtop, walk-through transom door, tinted glass sliding windows, built-in wet bar, and the convenience of port and starboard wing doors for access to the walk around bow and side decks.

Inside the yacht, you and your guests will enjoy the combined saloon-galley-dinette all on one level. The spacious saloon offers comfortable sofas to both port and starboard, backed by a open galley complete with full-sized fridge, cooktop, dishwasher, microwave oven and large countertop/workspace.

For overnight trips, the Viking 54 Sport Yacht's gracious three cabin (three heads) layout ensures everyone will wake up well rested and ready for the adventures of a new day.

This amazing yacht was built by Viking to stand the test of time, and cared for with pride by her owner and diligent captain. As a result, she presents better than many yachts half her age. Please schedule your visit and come see for yourself.
