

## AZIMUT GRANDE 25 METRI

**\$4,865,000** Year: 2020 | Length: 87.27 ft | Hong Kong

## AZIMUT GRANDE 25 METRI

### OVERVIEW

This 2020 AZIMUT Grande 25metri is currently berthed in Hong Kong, asking for USD 4,865,000.00 (~ HKD 38.0 million).

This Azimut is perfect balance of style, comfort, and functionality. This flybridge motor yacht is managed professionally by a team of 4 people and it is in superb condition. The yacht was built in 2020 and fitted with two MAN engines with around 870 hours on the clock (as of Q1 2024) and two CUMMINS ONAN 27kW generators with around 3300 hours on the clock (as of Q1 2024).

The interior of the boat, finished with light cream-coloured soft furniture and vivid red-coloured fixtures, gives the boat a lively and harmonious feeling. All the corners on walls and pillars are bullnose (rounded) corners, this design feature made the boat look more refined and stylish. The large saloon offers ample living room space and there is a dining area that can accommodate 8 diners. The 4 cabins are on the lower deck of the boat. The cabins are very spacious ensuite bedrooms and can accommodate 9 guests in total.

On the exterior of the boat, there is an expansive deck area that is perfect for relaxation and entertainment. The flybridge offers a spacious sunbathing area, a wet bar, and a dining space, making it an ideal spot for alfresco dining or socialising with friends and family. The aft cockpit provides additional seating and lounging options, while the foredeck is equipped with sunpads for sunbathing and enjoying the ocean breeze.

For better stability, the boat comes with 2 fin stabilisers as standard. The current owner has custom-fitted 2 more QUICK MC2 stabilizers for better stability when cruising and when the boat is anchored.

This boat is beautifully designed and mechanically well-equipped. It is the perfect boat for clients who are looking for a well-engineered and elegant boat to enjoy the weekend with. A great example of this popular yacht is available immediately. For viewings and further information, please contact us.

### MEASUREMENTS

Length: 87.27 ft

Beam: 20.34 ft
