BENETEAU ANTARES 8

OVERVIEW

This 2018 BENETEAU Antares 8 is now in Hong Kong and presented for sale asking price at HKD 450,000.00 (~USD 57,600.00).

This pilothouse cruiser is a good starting point to enjoy yachting with. It has fitted with a 200HP SUZUKI engine (~400 hours in Q3 2023) which is an reliable engine option appreciated by most of the owners.

The Antares series is a very popular motorboat series by BENEATEAU. The Antares 8 shares the same design principal – Pilothouse with a balanced outdoor space. The cockpit area with teakwood finish provides a luxurious feeling to owner and guests once they stepped on board. A foldable bimini at the cockpit provides a good shade to make sure guests are well protected.

Inside the pilothouse, there is a galley with fridge with gas stove at the starboard side and a comfortable dining area at the port side that can sit 4 people. The boat with 2 slide windows on 2 sides and a big roof hatch allows a good ventilation both cruising and anchoring. The lower deck of the boat is equipped with a mattress and a separated head space, which are very sufficient for owners who like to do a day cruise.

This boat is well kept in a marina with a captain taking care of her, the condition is excellent and very presentable. A great example of this popular yacht available immediately. For viewings and further information, please feel free to contact us.
