

## BENETEAU MONTE CARLO 47

**\$290,000** Year: 2011 | Length: 48.5 ft | Thailand

## BENETEAU MONTE CARLO 47

### OVERVIEW

An opportunity has arisen to be the proud new owner of this 2011 Monte Carlo 47. She originally began life in the Mediterranean until her present owner shipped her to Thailand in 2018. She has since been mainly been day cruising the coastal islands off Pattaya.

This yacht is Thai VAT paid. So that means no boat visa runs for the owner and indeed if the new owner desires she will be very easy to put into charter to help contribute towards ownership costs.

With Volvo 2 x IPS (435 horsepower) engines she is super easy to handle making berthing her a doddle. Having recently had a Raymarine touch screen GPS plotter upgrade she is well specified for ease of navigation. With only 230 hours on the engines she really has had light use with an average of 19 hours per year!!

With an opening hard top roof you can feel the wind in your hair from the driving position and not having the fly bridge means that she is lighter and faster than her flybridge equivalent.

A large aft deck space with out door wet bar and grill, accompanied by a generous sun lounging area on the bow gives this boat plenty of outdoor space to enjoy when at anchor.

Be quick to view this boat as she will not be on the market long call Howard Prime today and make that plan to sail away!

### MEASUREMENTS

## BOAT DETAILS

### Manufacturer Provided Description

Built for speed and efficiency, the Monte Carlo 47s hull design has been especially developed to optimise the performance of the Volvo Penta IPS system. The choice of this technology gives the boat some unique advantages, such as the power of the pods, optimised fuel consumption, comfort, increase in space, flexibility and ease of handling. The innovative conception of the Monte Carlo 47 draws together the concept of an Open and a design which protects the wheelhouse, as well as benefiting from an enormous cockpit with electric opening roof and sun canopy extension, etc. Everything is designed to simplify your life on board. Two layout versions are available, with either 2 or 3 cabins, providing a generously proportioned V.I.P. cabin forward with comfortable headroom.

### Additional Description

- Complete mooring kit
- F safety equipment
- Dishwasher
- Washing machine
- Ice maker
- Telescopically retractable hydraulic gangway
- Pulpit fender bracket
- Generator 7 KVA 220 V/50 Hz ONAN
- Television LCD 20" + DVD/MP3 player in cabin
- Air conditioning 220 V
- Ruby red hull
- Steel blue hull
- Launching ST GILLES
- Boat transport sheeting

- 2 Panoramic opening porthole-fitted portlights with blinds
- Space for LCD 20?? screen television (optional extra)
- Meridian couch to port

- Mirror

#### OWNER WASHROOM

- Height to deck beam: 2.30 m
- Electric toilet Vacuflush + Rigid reserve 150 l
- Shower separated with PMMA 3 swing doors
- Basin with mixer tap
- Mirror and storage space
- Automatic shower water drainage

#### Additional Description

- 8 Batteries 12 V (4 Engine batteries 50 Ah + 4 Service batteries 140 Ah)
- 3 Bilge pumps: 2 Electric pumps – 1 Manual pump
- 2 Extinguishers
- Inverter 12 V/24 V
- Charge divider
- Battery charger 24 V 60 Ah
- Interior socket(s) 220 V
- Shore power 220 V
- Spotlight and reading lighting

#### Additional Description

- Height to deck beam: 1.98 m
- Kitchen-type layout: Optimum storage space
- Stainless steel sink with mixer tap
- Ceramic hob 2 hob
- White corian type worktop
- Micro-wave oven 24 l
- Fridge Freezer 270 l
- cutlery storage
- Bin with fitted twin bucket
- Opening hull porthole

#### Additional Description

- Propulsion IPS: Volvo 2x D6 435 HP (320 Kw) Diesel
- Fuel filter with decanter

- Sea water filter
- Air intakes on the deck for engine compartment cooling
- Hot air extraction forced by electric ventilators
- Engine room foam soundproofed
- fire extinguishing system activated from the steering station
- Fuel filler Stainless steel
- 2 Rotoation moulded fuel tanks, capacity of 630 L each
- Steering system: Hydraulic steering
- 2 Housings with counter rotative propellers

#### Additional Description

- White hull
- Composition: Sandwich (Polyester resin – Glass fibre – Balsa core)
- Hull counter moulding laminated in monolithic (Polyester resin – Glass fibre)
- 8 opening portholes (fitted with curtains)

#### Additional Description

- Composition: Sandwich (Polyester resin – Glass fibre – Balsa core)
- Deck counter moulding laminated in monolithic (Polyester resin – Glass fibre)

#### DECK EQUIPMENT

- Polyester radar support hoop
- Navigation lights

#### MOORING –ANCHORING

- Swivel bow fitting with anchor securing system
- Electric windlass (with remote control) 2000W power
- 2 Forward cleat(s), 2 central and 4 to aft in stainless steel
