

## BENETEAU OCEANIS 40.1

€379,551 Year: 2022 | Length: 42.22 ft | Singapore

## BENETEAU OCEANIS 40.1

### OVERVIEW

Available April 2022, Suited for Asia Comfort Cruising

As there is no one way to sail, and because everyone cruises at their own pace, this recent addition to the Oceanis line comes in several versions. Sailors keen on performance can choose the First Line version, with a longer mast and a greater draught. The in-mast furling system and self-tacking jib will make shorthanded manoeuvring easier. A standard mast for a semi full battened mainsail is also available.

In terms of accommodations, the Oceanis 40.1 comes in 4 different versions, with a choice of two basic types of woodwork as standard: walnut or floated oak. The many alternatives and options to customize your boat ensure there is an Oceanis 40.1 for each and every sailor.

Delivery possible in Asia such as Hong Kong, Singapore, Thailand etc. List of options can be modified as delivery in 2022. Speak to our team to find out more about this Beneteau Oceanis 40.1.

### MEASUREMENTS

Length: 42.22 ft

Beam: 13.71 ft

Displacement:

### PROPULSION

Engine Make: Yanmar

Engine Model: 4JH45 CR SHAFT LINE

Engine Year: 2022

Engine Fuel Type: diesel

Engine Power: 45HP

## CONSTRUCTION

---

Builder: Beneteau

## BOAT DETAILS

---

### Manufacturer Provided Description

Following in the wake of her elder sister the Oceanis 51.1, this 40-foot cruiser, with a new hull design by Marc Lombard, offers unrivalled deck volume and interior space, and there are no concessions to performance. The 12-metre long Oceanis 40.1 is available in different layouts, draughts and rigs, adapting to the most demanding sailor's cruising requirements and satisfying their need for comfort and pleasure under sail.

### Exterior Design

How can you enjoy life at anchor as much as sailing? With the innovative flared hull design of the Oceanis 40.1, and steps extending over a third of the bow, BENETEAU has broken new ground but made no concessions. The result is a hull that has true speed potential and is stiff under sail. Above the waterline, her deck plan and ultra-spacious interior by Nauta Design is unheard of on a boat this size. You cannot help feeling that you are aboard a 45 foot cruiser!

### Interior Design

With a **walnut or light oak** **ambiance**, the styling of the interior by Italian designers Nauta, is remarkably bright and excels in the skilful arrangement of the living spaces. She is available with two, three or four cabins and a **C-shaped galley** on the starboard, offering lots of storage and a spacious worktop. On the port side, there is a large saloon with a table and a removable bench, and a chart table at the foot of the companionway provides ample working space. Everything is modular, so that everyone can live the way they want and enjoy sailing wherever the wind takes them.

### Electronics and Navigational equipment

- B&G Navigational pack

Port Side Helm Station + Starboard Helmstation: 1 Multifunction Touchscreen Zeus 7" Wide Wireless (GPS, Chart Plotter, Card Reader – Navionics Silver Cartography Included) ; Sensor(Log,Speedometer, Temperature); Wind Sensor (Windvane, Anemometer); Windex Windvane; Nac3 Autopilot + Control
