BERTRAM 54 CONVERTIBLE

OVERVIEW

Introducing the timeless icon of sportfishing excellence – the Bertram 54 Convertible. From its inception in 1981 to the final build in 2001, this classic vessel has epitomized the pinnacle of Bertram's legendary craftsmanship and innovation.

The Bertram 54 inherits the revolutionary deep-V hull technology that ensures unparalleled stability and smooth navigation even in the most challenging seas. This hull design, coupled with a modified Vee shape by David Napier, guarantees an exceptional ride quality that stands the test of time.

Step aboard this well maintained Bertram 54, and you're greeted by a spacious teak covered cockpit designed for serious fishing pursuits, equipped with all the necessary amenities including fish boxes, bait wells, and rod holders. But the luxury doesn't end there. Below deck, the Bertram 54 offers a luxurious sanctuary with a large master cabin to port, twin cabin to starboard and a generous forward cabin with three bunks each boasting its own en-suite head, a meticulously appointed salon with leather sofas, and a fully equipped galley for gourmet meal preparation.

Powered by twin Cats 3412E engines boasting a total of 2,800hp the Bertram 54 delivers impressive speeds of up to 35 knots, ensuring you reach your favorite fishing spot with speed and efficiency.

With a production run spanning two decades and over 135 builds, the Bertram 54 continues to captivate enthusiasts with its unrivaled performance, unwavering durability, and timeless design.

Experience this great boat for yourself by arranging a viewing in person or via video call.

This classic sport fishing boat promises an unmatched combination of luxury, performance, and seaworthiness that sets the standard for generations to come.

BOAT DETAILS

General Description

This 2001 Bertram 54 Convertible is powered by twin Caterpillar 3412 E engines, each boasting 1400 horsepower, this vessel offers unmatched performance and reliability on the open water. Cruising comfortably at 21 knots while burning approximately 200 liters per hour, ensuring efficient and cost-effective navigation.

Equipped with 2 x Kohler generators (12 & 16kw) she has ample onboard power supply for all your electrical needs. For added convenience, amenities include a washing machine, dryer, and a fully equipped galley featuring Subzero fridge and freezer drawers, a microwave and extensive storage.

The spacious lounge area, complete with a built-in bar, offers the perfect setting for relaxation and entertainment. Navigation is made easy with extensive equipment, including a new Raymarine chartplotter, fish finder, and ICOM VHF radios. Additionally, the Bertram 54 boasts an extended tuna tower for optimal visibility and a rear sun shade over the cockpit, providing comfort and protection from the elements. With its impeccable craftsmanship and luxurious features, the 2001 Bertram 54 Convertible sets the standard for excellence in sportfishing yachts.
