

## CUSTOM 36 CATAMARAN LS1100

**\$54,000** Year: 2008 | Length: 36 ft | Thailand

## CUSTOM 36 CATAMARAN LS1100

### OVERVIEW

A wonderful opportunity to take ownership of this 36 foot Daniel Moore designed cruiser catamaran that is hugely impressive under sail. Built by Nusa Dua Marine in Bali, Indonesia, Alba II was designed for cruising the waters of South East Asia with a keen eye on performance but could quite easily be used for sunset sails and exciting adventures.

A great platform to explore the beautiful islands and hidden coves on a low hassle and low maintenance craft but with the ability to spend days away from the marina with Alba II's accommodating cabins for a boat in this class. But unleash her performance side and she is as at home in a club regatta or round the island race.

Available now having recently had both engines serviced and a fresh antifoul, she is ready to go for the season. Lying in Krabi, Thailand, please get in touch with Simpson Marine for more information and to arrange a viewing.

### MEASUREMENTS

Length: 36 ft

Beam: 20.25 ft

Displacement:

### PROPULSION

Engine No: 1

Engine Make: Yamaha

Engine Model: Enduro
