CORSAIR F31R TRIMARAN

OVERVIEW

If you want to quickly and safely sail longer distances in comfort, then this is the boat for you.

This well built and powerful trimaran from Corsair Marine meets these requirements. Average speeds over longer distances can easily be double-digit.

Has an astonishing speed for a cruiser, very light and capable sailing multihull, she is recently sailed from Singapore to Bali (2016) and Bali to Dili and back via Rote, Sumba (1400Nm) in 2019.

She sails beautifully and is wind speed capable, motoring 6-7kts with a top speed of 20kts!

A perfect weekender with extended range capability, low maintenance and easy to sail!
