

## LAGOON 450

**\$530,000** Year: 2013 | Length: 45.8 ft | Hong Kong

## LAGOON 450

### OVERVIEW

The Lagoon 450 is one of the most popular models in Lagoon's range —a testament to the successful collaboration between VPLP and Nauta.

Our newly listed 2013 Lagoon 450 comes equipped with upgraded 54hp Yanmar diesel engines and features a popular three-cabin owner's version layout that can accommodate up to 6 people.

Step aboard to discover an expansive central saloon flooded with natural light through large windows. The seamless connection between indoor and outdoor spaces extends to the cockpit, an ideal setting for both entertainment and relaxation. The well-equipped galley with sliding in between makes passing drinks and food easier. One of the key features of the yacht is the flybridge where the helm station is located, everything is within easy reach, making it ideal for short-handed sailing. Additionally, the sun pad at the front ensures that the helmsman remains connected with friends and family.

The yacht is also equipped with air conditioning, a Cummins Onan 11kW generator, GRP Bimini, two Harken electric winches, a full set of navigation aids, cockpit enclosure, a square top mainsail, UK Sail (code 0, gennaker), code 0 gear and pole, plus a dinghy with an outboard motor. Ready to go offshore! It's not just a boat; it's your home on the waves.

Please contact us for more information about this opportunity!
