PRINCESS Y85

OVERVIEW

This 2020 PRINCESS Y85 (Build year is 2019, Model year is 2020) is currently berthed in Hong Kong, asking for USD 5,752,000.00 (~ HKD 45.0 million).

This yacht was first registered in 2020 and fitted with two MAN V12 engines (1,900 HP each) with around 730 hours on the clock (as of Q4 2023) and two CUMMINS ONAN generators with around 2,800 hours on the clock (as of Q4 2023).

This flybridge motor yacht is very well managed by a team of 3 people, with 1 captain and 2 crews. This yacht has 4 cabins in total: 1 Master, 1 VIP, and 2 Guest rooms. The 2 crew cabins, with 3 berths in total, are located on the lower deck next to the engine room.

The interior is completed with dark oak flooring with a cream-coloured ceiling. With the help of the big windows on two sides of the saloon, the saloon feels airy and harmonious. Guests are welcomed by the living room set up close to the saloon entrance, and a dining area for 6 people is ready for guests to enjoy their meals with friends and family. The flybridge area comes with a lot of socialising space.

The top of the yacht comes with a lot of fixed seats with dining setup for guests to enjoy their food and beverages. A jacuzzi is installed at the aft flybridge for guests to dip their feet and cool themselves during the hot summer days.

A great example of this popular yacht is available immediately. For viewings and further information, please contact us.
