SESSA MARINE 68

OVERVIEW

This 2020 SESSA F68 is well presented for sale asking for HKD 26,400,000.00 (or USD 3,365,000.00).

This yacht has fitted with 2 VOLVO IPS 1200 D13 Engines, the total horsepower of 1800HP allows the yacht to easily travel up to 30knots. All the onboard electrical equipment is supported by a very reliable 22.5kW ONAN Generator. Both of these mechanical equipment have been through service in December 2022.

The yacht comes with a very eye-catching sparky hull paint in Air Blue Metallized. Getting on boat you can see a very spacious main deck with an outdoor dining area. The dining sofa has a big sunbed integrated for guest to enjoy sunbathing. Walking from the 2 companion ways at 2 sides of the yacht, more sitting and sunbathing area can be found at the bow of the yacht. A very spacious design at the flybridge of the yacht with a square dining table surrounded by sofa for guests to enjoy their gourmet with friends. The rear part of the flybridge is very open and current owner has decided to put bean bags for guests to spend time resting with a cold beer on hand.

People who prefer open platform and social space will appreciate the design of Sessa. The big welcoming door is followed by a very spacious living room area with dining table for 8 in the middle. Unlike any conventional European flybridge yacht, which there is always an indoor helm station but seldom being used, the SESSA 68 with only 1 helm at the flybridge allows more social space at the main deck living room. Walking to the lower deck, another L-shape sofa, guests can enjoy a peaceful and private moment here. The galley is located at lower deck with a full-size fridge and all the equipment that is needed for cooking. The lower deck also consisted of 2 rooms, the bigger Master Cabin or the smaller VIP Cabin. Both cabins are en-suite and fitted with a double bed for maximum comfort.

This yacht is ideal for people who like big group of friends to enjoy the weekend with. A great example of this popular yacht available immediately. For viewings and further information, please feel free to contact us.
