SUN HING SHING CUSTOM TEAK JUNK

OVERVIEW

New to the market, and striking an iconic pose in front of Hong Kong's skyline and outlying islands, teak junk Michelangelo represents an amazing opportunity to own a classic yacht that blends form and function. No expense has been spared by Michelangelo's owner, who has cared for the yacht with a passion. New Kohler generators were installed in 2020, while two new John Deere engines, water-maker and two gyro stabilisers were installed in 2016.

Fully licensed for charter, Michelangelo takes day and overnight trips to another level. The yacht embodies the classic aura of a bygone era, while still providing all the modern comforts one might desire. As a platform for entertaining, the yacht is licensed for 59 guests, therefore offering an amazing venue for lavish events and groups of all sizes. For overnight trips, the large master cabin is spacious and inviting, and accommodations for a further 6 overnight guests are found in Michelangelo's comfortable guest cabins.

A large galley is fully equipped for a professional chef to delight guests on board, with ample storage for a variety of kitchen gadgets and service items in the lower deck pantry.

The yacht's fully covered cockpit is an amazing location to enjoy meals at sea, and the flybridge also has a large covered outdoor space, giving guests the ability to enjoy some fresh ocean air while also having some shelter if the tropical sun feels particularly strong.

Michelangelo is beautiful, inside and out, please contact us to arrange your viewing.
