SUNSEEKER 88 YACHT

OVERVIEW

This sparkling clean and spacious Sunseeker 88 flybridge yacht is beautifully presented for sale and ready for her new home. Built in late 2009 (as a 2010 model year), this iconic British yacht features impressive amounts of space across all three of her decks, with a massive saloon, spacious flybridge and 4 cabins/heads layout. As an added bonus, this particular yacht had a recent refit (including a new flybridge wetbar and custom metallic-blue paint job), making the whole yacht feel much newer and fresher than other yachts of comparable age.

Fitted with twin MTU engines (around 2000 hours as of Q1 2024), this beautiful yacht is capable of nearly 30 knots top speed and cruising speeds in the 22-25 knot range. In terms of equipment on board, the yacht's specification includes Trac Digital Fin Stabilisers, Flybridge Jacuzzi, Miele galley appliances and a fully renewed entertainment system. Twin Kohler generators (around 5500 hours as of Q1 2024) are rated at 28kw apiece.
